Case #

STATE OF ALABAMA

COUNTY OF ELMORE

Before me, the undersigned authority, a Notary Public in and for said County, personally appeared Calvin ALPHONSE LEE, who being known by me and first duly sworn, deposes and says on oath as follows:

I Calvin ALPHONSE<sup>Lee</sup> is an Inmate at Frank Lee Youth Center P.O. Box 220410, Davisville, AL 36022. I am over the age of (21) twenty-one years of age and I have personal knowledge of the facts set forth herein.

I have attempted to prepare this Response in Opposition to THE DEFENDANTS REPORT. I have no personal reasons to lie on either of the Defendant's. There is various problems here at Frank Lee Youth Center. Some of these problems are due to THE ADMINISTRATIVE STAFF here. Most of the problems are due to system failure, it's known that the ALABAMA Department of Correction. Is in desperate need of an Overhaul of it's, current system. Which is to include it's Employees, Institutions, etc. I have to the best of my ability, attempted to cooperate with the Defendants. But find them to be understaffed, overworked in performing more than one occupation. That in turn hinders (me) or the STATE PRISONERS. ALL of which has resulted in the Plaintiff filing the 1983 Complaints Concealing the truth of those matter or

Allegation's will only pass the problem's on, and these violations will continue to escalate, thus keeping THE STATE OF ALABAMA, DEPARTMENT OF CORRECTIONS. In the Jim Crow ERA, By Denying Prisoner's And the Plaintiff Justice on an Equal Scale. As Required in the U.S. Constitution, Let us Arise from our sleep. If our recent Governor, was guilty of these Allegation's. Surely these Loyal Employee's were following his Lead. And are now displaying his methods of covering up. One comment I have for these defendant's and that is that, they were taught well, And they are some of the best predator's I have ever seen.

[A] As Response of Opposition To The Law Library, Standard Operating Procedure's. E-7. III Definition of a Legal Kit is, Four sheets of Legal plain paper, and two envelopes. And that a pencil may be issued upon request. Legal Kits at Frank Lee consist of this paper that I am submitting this Affidavit. A computer printer is available to be placed in the Law Library, but the Administrative Sergeant would not install the printer. Neither provide carbon paper, or the Basic Office Supplies for and adequate Library to function efficiently. And if the ADAC purchased the Computer for the Law Library, why would SGT. Langford withhold it from the inmates use. Also the Responsibilities as according to the Standard Operating Procedures. Are rarely enforced, specifically as to opening and closing at appropriate times. Since SGT. Langford is no longer assigned as Administrative SGT. AT Frank Lee Youth Center, Before her re-assignment she left orders. That it was O.K for the Library Clerks to, play games on the Law Library Computers. This has transformed the Library into a game room. Even during the hours. Designated to study or preparing a legal material. And as a document of proof

THE Plaintiff is including a signed petition by the other inmates and himself. Whom have knowledge, that the Law Library is not operating as the Defendants state. (Exhibit ①). Also Plaintiff is presenting Evidentiary Materials in the form of an Order from the Courts. Dismissing a Civil Right's case, because of limited access to Legal Material and adequate assistance from persons trained in Law. Along with Numerous Movements.

THE Plaintiff Response as to being fired from the job, is that if SGT. Langford Affidavit was factual, I would have been received Numerous disciplinaries. Because at Frank Lee youth Center, the staff here is known, for issuing disciplinaries and citation's for any minor or major violations of the Rules. Especially being fired from a job. That's worse than Murder, here if the Courts will check the record. Here at Frank Lee youth Center, it will find that SGT. Langford. Is not only lying, but she herself has written Numerous disciplinaries. For any allegation pertaining to, an improper procedure's pertaining to a job. Included is an example of how strict the staff here is. (Exhibit ②). Also a statement from the witnesses as to this fact. That SGT. Langford verbally threatened the Plaintiff, I the Plaintiff take, threat's seriously, I am 50 year's of age. And I have seen inmate's. Beaten to the point of death, also I have had a stepson, that was beaten to death, by D.O.C guards, in 1995. I know very well how this system operate's, when it want's to justify, It's wrong's. I've seen with my own eye's, and I've heard with my own ear's. But as stated before, this method of deceiving the Courts. Is not going to benefit the ADOC in any form. It's only going to pass the problem on into the future.

This Administration with no exceptions is just as corrupt. As any other administration, of the ADOC, in that the staff here, conspire, deceive and cover-up any wrong doing's from any Public or investigating authority. It is a practice pattern, that has been going on, since who knows. If the Court's would order, the prison files. Then those violations would surface. Numerous complaints has been filed against the Administration here. By it's own employees. Mrs. Michele Taylor Intensive Substance Abuse Instructor. And Numerous inmates and their parent's, have requested that the State of ALABAMA I+I Division investigate this institution. For possible Discrimination violation and other wrong doing's. Also Numerous Congressmen and the U.S. Department of Justice Officials. Have been alerted as to the injustices that are transpiring here at Frank Lee Youth Center.

The Classification Specialist has been at odds against me, since I got to Frank Lee Youth Center. We have had numerous, disagreements and when I would state that I was writing her supervisor. SHE would threaten me with disciplinary action. Either the ADOC Director of Classification, send the letter I wrote <sup>her</sup> to her. Or she tampered with the U.S. Mail. I am enclosing the letter as evidence (Exhibit ③) SHE has discussed my case and had my review held, in the Staff Office. Discussion that are suppose to be confidential and private are held in the Staff Office, where everyone is aware of your confidential information. Also I have been slandered, about amongst the staff. Mrs. Michele Taylor Can testify as to these allegations. Information has been missing from my administrative file. And she has repeatedly, informed Central Records Division. That there has been no change in my progress since being here at Frank Lee Youth Center, when I have completed several

Program's to Rehabilitate myself since being here at Frank Lee. She Discriminate in the wording of the Recommendation that she recommends for me. Also other inmates, There has been numerous complaints lodged against her. But her Superiors never take action. They just cover it up at a higher level in the ADOC Classification Division. I can't recall the Racial slur or statement that she made. When I was before the Job Board, when I first Arrived here. But it was some Quote from something that her Father told her about when you find a \_\_\_\_\_ in ditch leave it there. If you help it out it will pull you in.

The Prison Disciplinary Policy is not followed to the letter. The Hearing Committee, all conspire to find inmates guilty. In order to please themselves. Showing partiality to inmates that return for them. Also those they like, They provide incidents displaying unprofessional character. And if they want you to receive a disciplinary or citation it's, nothing you can do to stop from getting one. The staff Abuse the Disciplinary Procedure, And discriminate in the proceeding, one specific way. To once some of the inmates have been given, a disciplinary and the Officers find that they have. Made a mistake on the first 5 line's. The policy is that the disciplinary should be thrown-out. The staff here re-issue, the disciplinary, after correcting them. Also SGT. Langford states in her Affidavit that, she fired me from the Law Library for numerous complaints and other violations. This clearly shows that the staff here, Discriminates. If I violated the rules I should have received. Disciplinary Action's according to the Administrative Regulation 414 or 403. The Allegation SGT. Langford makes are clearly Major Institutional Rule violations, This shows partiality.

If I am correct I think that the ADOC Policy for all prisoners is the same. At least that is what the advertise.

As for the conditions, the water in the shower's is always a problem. It's been that way in and off for (6) six months. Either cold or hot. This past week-end for example, the water was cold had to take cold showers. April 13, 14, 15, 2007. Will present petition from the Inmate body here at Frank Lee Youth Center as (Exhibit (4)) as proof.

As to the (1) Bathroom in the dormitory for the 12 inmates, give or take away, the doors to the dormitories are locked from 11:00 pm until about 4:00 am. And if you are lucky, you might get an officer to open it. And let you have access to the common Laboratory Area. Captain Benton isn't here at night, and cannot comment as to verifying that inmates have use. Once he leaves another officer assume command and he run the facility as he please's. Just this year and older Inmate messed in himself. Because the doors of the dormitory was locked. And he couldn't get to the common Laboratory Area. Petition as proof (Exhibit (5))

If proper Toxic Times detecting device's, would be used inside these dormitories. They will detect Toxic Times Leak's, To let this Administrative staff tell it. They are perfect, in everything they do. Also the smoking policy isn't enforced, I brought this to Warden John Commins attention long-ago. He refused to do anything about it. A Letter is being submitted as proof. Exhibit (6).

And the unprofessional 3rd shift female officer's just stay on the PA system unnecessarily. Especially in the early morning hour's. Just a mere lack of respect for Inmates, just because they can.

THE PRISON STAFF is unprofessional here at FRANK LEE YOUTH CENTER. They are not performing their duties as to enforcing certain Rule's. (1) Regulation's as to the Law Library. (2) THE SMOKING in the building, I have asmate also several other inmates. I guess we have been sentenced to a death sentence. Also the STAFF do not abide by the OATH that they swore to uphold. When they became Correctional Officer's CODE of ALABAMA 1975, TITLE 14-3-13, DEALS WITH SOLEMN OATH of OFFICER'S AND GUARDS. RULE 208 of THE ADMINISTRATIVE REGULATION TORTS ACTS GOVERNING THE:

### STANDARD of CONDUCT

QUOTE: 3(A) ALL D.O.C. PERSONNEL ARE EXPECTED TO:

- 4; EXERCISE COURTESY and TACT
- 7; OBSERVE RULES, Regulation's and Law's
- 10; PREVENT THE ABUSE of AUTHORITY of THE BADGE.

3(C) ALL ALABAMA Department of Corrections Officer's are prohibited from

- 4; USING THREAT'S in SUPERVISING PRISONER'S and ABUSIVE LANGUAGE

THIS STAFF here at FRANK LEE YOUTH CENTER does not Adhere to this Standard of Conduct Code. As I stated before they feel as if they are above the Law. And for the sake of Justice they should be reminded. That the Law govern's all, no matter what Job, One has in Life. This conclude's my Affidavit, I Requested of the Court, to Appoint an Attorney to Assist me. I hope that, the point's and issue's are addressed Adequately.

ATTN: Terry Everett-Congressman

Sir how are you? My name is Calvin A. Lee #152056 and I am incarcerated at Frank Lee Youth Center, P. O. BOX 220410, Deatsville, and AL. 36022. I have made a mistake in life and I am now paying the penalty for that mistake. Would your office assist me in correcting some violations of my and other inmates Constitutional Rights. Some of the Authorities here have been depriving inmates of their Civil and other rights for such a long period of time that they refuse to stop and will go to any length to achieve their sick selfish demands at the expense of great harm to others. If this letter reaches you please reply. Even if it's nothing but to let me know that you have received the letter being brief as possible this facility is a mere breach of trust and run any way whoever sees fit or fee on a certain day. Please send me a complaint application or refer me to someone, who can help me. I am fifty (50) years of age and I've seen some horrible things. But this situation is one that needs to be cleaned up.

Sincerely,

Dear Mr. Lee:

Thank you for contacting my office about the problems you are facing with the Frank Lee Youth Center.

As much as I would like to assist you with this matter, I am limited in what I can do because it comes under the direct authority of the State of Alabama. Because I am a representative of the federal government, I have no jurisdiction in such state matters.

Hoping to be of some assistance, I have contacted the Governor on your behalf and explained the matter as you outlined it to me. I asked that your problem be given careful attention and that everything possible be done to help you.

I hope that this will be helpful to you, and I appreciate the opportunity to be of service.

With best regards, I am

Sincerely yours,

WARDEN CUMMINS

Sir I am writing to request, that some changes be considered. Those changes are, that you authorize an Honor donor, to contain. All non-smoking inmates, older inmates that don't care for the noise. The Christian inmates, and those of us who like to live in a clean and healthy environment. Sir please approve of this suggestion. Because the living arrangement that we are in now is unbearable and unhealthy. Especially the smoking, and the unsanitary conditions are just a shame. Something has to be done and immediately, please sir. Some of us inmates are so old and no that getting sick in prison, is a death sentence. Will you get with us about making some changes. Before other measures are taken. I just want to serve my time and go on with my life.

Sincerely,

Cal Lee

SPECIAL LITIGATION SECTION - PHB

WASHINGTON, D. C. 20530

DEAR U.S. ATTORNEY GENERAL

My name is Calvin ALPHONSE Lee #152056, And I am currently incarcerated. In an ALABAMA PRISON, FRANK Lee YOUTH Center, P.O. B 220410, SEASVILLE, AL 36022. And I am writing to initiate a Legitimate Complaint. About the Flagrant Conditions. Also the EGREGIOUS treatment, from the prison staff here. Sir would your Office investigate this facility immediately. What type of mental and physical ABUSE here is not an isolated incident. It's part of a pattern of a PRACTICE here, and the inmates are dared to challenge the pattern and practice of abuse here. I would like to go into the details, but I am trying to be as brief as possible for the sake of safety from RETALIATION. There is know Administrative Regulations that govern. Disciplinary Hearing, the staff change the rules according to the inmate that they are dealing with. It's a Bias proceeding 99% of the time. Due Process Rights are a joke to the staff here, And there is no straight answer to any inmates questions, Inmates are verbally threaten constantly. I live in total fear, here and this is a breeding ground for hatred. Handicap inmates have no, zero accessible ramps. Rails, Both stalls, Shower necessities. They are rushed as if they are in a Marine Boot Camp. I have Numerous other complaints but I am waiting to hear from your Office. Before I really blow the whistle. And please, send me a proper complaint form to document these deficiencies. And other information about how Institutions should be in compliance to Federal Statues. There are widespread deficiencies here that seriously jeopardize the

health and safety of inmates, along with the serious abuse,  
If you would only order, the ALA D.O.C, to transfer me to  
another facility. In my safety, I would appreciate that. But  
still something has to be done, for the other inmates before a serious  
riot or other problem occur. Please respond. That is the only way I will  
know that this letter made it out.

Sincerely

Col G. Lee #152056, A-21

Sir: This letter is being written to you, I hope, that you can clear-up what is the correct Recommended Status. As to me being in Level II and Level I Placement. Central Review Board Officer Euston on Euston. Entered a comment on And Appeal of a Central Review Board. Recommendation of my Placement, with great respect. As to the decision, I know that it was made without all of the facts presented. The Appeal was Granted but a comment was High Lighted with the appeal. And then Classification Specialist Mrs. Martin here at Frank Lee Youth Center. Interprets the comment as a Protest then Confess. Stating that I am not to be given a Job. Off of State Property And not around females period. Either on State Property or in society. And that is what she has done so far. Mrs. Martin even Degrades me about this. But I couldn't be in this Level of Placement if that were so. Also the facts that was used to arrive at that decision. Is incorrect, I have some documentation to prove it. Sir I am only trying to Rehabilitate myself in a positive way. Here I have a job cleaning the face books 2nd shift a Bonnetto. I am use to staying busy, to some my time best that way. This facility Frank Lee Youth Center, Lack's Rehabilitation Programs. In me to advance myself. Also the facility has numerous Sanitary conditions that it is in.

Violation of, I am 30 yrs of Age I am trying to  
stay healthy, do my time and Return to society and  
be a productive citizen. All that I am Requesting is  
that this Restrictive Comment By C.R.B. be Reconsidered.  
Because I have had this same Data in the past and I've  
been allowed to go unrestricted around the state.  
I have never abused that trust, and have no desire to  
ever do so. I have no problems with the opposite  
sex. My spouse and I had a misunderstanding which  
Reconciled with one another. She is neither protesting  
my being chosen to home. And neither is the District  
Attorney of Mobile County. I am here my of the verdict.  
The charges that the Alameda has me based on is Probation  
Violation for One Domestic Violence that was Nollie Pressed.  
Because my spouse, admitted that she Lied to the courts, about  
the entire incident. And I accept Responsibility for my past  
Action and Behavior. And I am aware that they are indeed  
serious. But I am not a monster that the C.R.B. is trying  
to Label me as being. I am pursuing Remedies to have  
my case overruled. I will be successful, And it has  
even been a bench line determination to be made. I am the  
Lamest that want to the system change. I have my Receipt with  
the D. A. C. Attests to that. Being being transferred here  
I was at Loxley Community Work Center for 30 days before  
C.R.B. Protected me. My duties there were work for the  
Al Dept of Transportation Summerdale, Division in Society working  
on the highways. I Attended Church in Free Society (3) nights

[37]

Weekly, I am was allowed to shop, and attend  
 A.H. and N.A. at the care. I was allowed these  
 privileges, at Loxley Community Work Center for  
 30 days and I never abused the trust placed in me.  
 Don did I create a situation that would reflect  
 a negative image or protest. On the ALA. D.C.  
 Sir I've made mistakes in the past, that I am  
 not proud of. I can't change the past, but I am  
 mature and I can control my future. By making positive  
 decisions. Sir I am only willing to request  
 a fair decision be made. I have sworn Affidavits  
 that I am not threat to any of the victims. Neither  
 to any individual in society.
